Ring wants to help reduce crime and increase safety in Orlando

Ring is excited to propose a solution to the Orlando PD (Agency) to help reduce crime and assist with investigations in your community.

Program Description

This program will provide Orlando PD access to the Ring Neighborhoods platform to communicate with Ring Neighbors, view Neighbor supplied video, determine general camera density/location and encourage community engagement as we work together to make Orlando neighborhoods safer.

- The Ring Neighborhoods platform is a digital neighborhood watch that both law enforcement and the public can access free of charge by downloading the Ring mobile app (iOS and Android).
- The app allows Ring Neighbors to share and comment on real time crime and safety events in their neighborhood. There are nearly 10,000 Orlando residents using the app.
- As part of the program, Orlando PD may:
 - Utilize the critical crime and safety events that are posted in the app by neighbors to assist in law enforcement operations and investigations; and
 - Post information relating to critical incidents and other incidents in the app to keep neighbors informed regarding issues in their neighborhoods.

Responsibilities

Ring Will:

- Make the Ring Neighborhoods portal available to Orlando PD, free of charge, including support and training for Orlando PD employees.

Orlando PD will:

- o Maintain appropriate access controls for Orlando PD personnel to use the Ring Neighborhood Police portal.
- o Make public data related to Orlando PD incidents/call logs available to Ring on a mutually agreed upon basis.

Term

Orlando PD's participation in the program shall commence upon Orlando PD's acceptance of these program terms. Either party may terminate Orlando PD's participation in the program at any time upon providing written notice to the other party. The Ring Neighborhoods Portal will be available to Orlando PD by April 23rd. 2018.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to Orlando PD without the prior consent of the owner. Orlando PD agrees not to use the Ring Neighborhoods Police Portal other than as expressly authorized by Ring and other than in connection with bona fide Orlando PD work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Ring app and Neighborhoods Police Portal.

Compensation

At no point shall either party receive compensation from each other as a result of this program.
